

COURSE INFORMATION SHEET
ZOOLOGY 263 – Human Physiology II

Tentative Course Outline and Schedule for Winter semester, 2012.

Note : Credit for both Zoology 263 and 169 will not be allowed.

Time: Lectures – T / R 2:30-3:45
Labs – R – 4:00- 6:30

Instructor : Dr. Carol Kroeker
Office : A2156
Phone: 571-2550, ext 5910
Email: ckroeker@ambrose.edu

Text : Vander's Human Physiology: the Mechanisms of Body Function
By Widmaier, Raff, and Strang. 10th ed.

Or: Human Physiology: From Cells to Systems, 6th edition
Lauralee Sherwood
West Publication Co.

Note: You may substitute an earlier edition of the text for the course (or possibly another suitable Physiology text – but please check with me).

Learning Objectives:

1. Students will be able to discuss the anatomy and physiology of the basic human systems including the cardiovascular, immune, respiratory, digestive, and urinary systems.
2. Students will learn laboratory techniques essential to research in physiology.

Mark Distribution :

2 Midterm Exams	40%
Laboratory Reports	20%
Final Exam	40%

This course consists of 3 hours of lectures per week, plus a 3-hour lab. The midterm and final exam will be a combination of multiple choice questions, as well as short and long answer questions. While most questions will be based on lecture material, the textbook reading will absolutely help in the understanding of this material. Attendance at lectures will help ensure success on course exams and assignments.

TENTATIVE LECTURE SCHEDULE

WEEK OF	TOPIC	TEXTBOOK CHAPTER
Jan. 10	Blood/Hemostasis	12F (Sherwood- 11,12)
17	Immune System	18 (S- 12)
24	Cardiovascular System	12 A-E (S – 9, 10)
31	Cardiovascular System	12 A-E (S-9,10)
Feb. 7	Cardiovascular	12 A-E (S-9,10)
14	Exam I/ Respiratory	13
21	Reading Week	
28	Respiratory	13
Mar. 6	Renal and Electrolytes	14 (S- 14, 15)
13	Renal and Electrolytes	14 (S- 14, 15)
20	Exam II	
27	Digestion	15 (S- 16)
Apr. 3	Digestion	15, 16 (S-16)
10	Thermoregulation	16 (S-17)

Laboratory Schedule

Lab topics will include: Anatomy and Physiology of specific body system covered in this course – blood, immunity, cardiovascular, respiratory, urinary, digestive.

Labs will begin the week of January 14 and run alternate weeks through the term.

Tutorials will run on the weeks that do not have a lab session

Attendance at the laboratory sessions is **COMPULSORY**. Any lab missed without a valid excuse cannot be made up. Lab coats are not required.

The lab portion of this course will consist of 3 lab assignments and 2 lab reports worth 4% each.

Labs will involve the use of body fluids so proper lab techniques and safety precautions must be taken. Lab coats and gloves should be worn for these labs.

TENTATIVE LAB SCHEDULE

Jan.	10	No labs
	17	Blood Lab
	21	Tutorial – heart dissection
	28	Cardiovascular Lab
Feb.	7	Tutorial – Cardiovascular case studies
	14	Respiratory Lab
	21	Reading Week
	28	Exercise Lab
Mar.	6	tutorial – Cases studies
	13	Renal Lab
	20	tutorial – case studies
	27	Digestion lab
Apr.	3	tutorial - Review
Apr.	10	no lab

Grading Scheme

A+	97-100%	C+	67-70%
A	90-96%	C	63-67%
A-	87-90%	C-	60-63%
B+	83-87%	D+	54-59%
B	77-83%	D	50-53%
B-	70-77%	F	Below 50%

Important Notes/Dates:

The last day to enter a course without permission and /or voluntary withdrawal from a course without financial penalty – January 22, 2012

The last day to voluntarily withdraw from a course or change to audit without academic penalty – March 23, 2012.

Please note that final grades will be available on your student portal. Printed grade sheets are no longer mailed out.

Classroom Etiquette:

It is expected that students will take an active role in the learning process. This includes: (a) regular class attendance, (b) reading course material in advance of class, and (c) engaging in discussions during class.

In respect to the professor and to your fellow students, we ask that you:

- a) Turn your phone off during class and that you don't use it for texting during lecture or lab
- b) Not have conversations with the people beside your during lecture – it is very distracting to the people around you
- c) Use your laptops for lecture material and assignments only – that you are not using the internet or facebook during class time.
- d) Arrive to lecture and lab on time
- e) Don't come to class or lab with your ipod or equivalent.

These will help to maximize the learning experience for you and your fellow students (and will keep your professor in a good mood).

It is the responsibility of all students to become familiar with and adhere to academic policies as stated in the Student Handbook and Academic Calendar. Personal information, that is information about an individual that may be used to identify that individual, may be collected as a requirement as part of taking this class. Any information collected will only be used and disclosed for the purpose for which the collection was intended. For further information contact the Privacy Compliance Officer at privacy@ambrose.edu.

Academic dishonesty is taken seriously at Ambrose University College as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to give credit to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from Ambrose. Students are expected to be familiar with the policy statements in the current academic calendar and the student handbook that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student's permanent record.

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university college. Students are expected to be familiar with the policies in the current Academic Calendar and the Student Handbook that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean.
