Required Bible Software:

The following are some common options for Bible Software. They all do what you need for this course, and are superior and more reliable than free online resources. All of these have optional modules or bundles, as well as specials and discounts. These complications may make ordering confusing, so you need time and patience to consider your options. Check what is included when you order. **NB: You must bring your laptop with one of these software packages installed in order to participate effectively in class discussion. Needless to say, you need one of these for your assignments.**

1. Accordance: *Original Languages Collection* or above (best value of the three in my opinion, and my recommendation) <http://www.accordancebible.com/store/details/?pid=Collection11-OrigLang>

3. Logos Bible Software: *Starter's Package* or above <https://www.logos.com/product/43516/starter>

Course Description:

Introduction to Greek Exegesis is a continuation of the study of the grammatical structures of Greek in conjunction with reading select texts of the Greek New Testament. The readings will provide opportunity to review grammatical structures as well as challenge the student to expand their understanding of how Greek uses grammatical structures to communicate meaning.

Expected Learning Outcomes:

Upon the successful completion of this course, students should be able to:

1. possess an expanded knowledge and a deepened understanding of NT Greek grammar and syntax beyond BL 521;
2. recognize all Greek words occurring more than 50 times in the NT (just over 300 words);
3. read, understand, and translate some Greek NT texts with the help of computer tools;
4. understand and competently carry out the steps of an exegetical process using the Greek NT text, arriving at a textually based sermon or a lesson plan
5. be a reflective practitioner of sound exegesis of the New Testament in the context of the community of faith.

Special note:

Language courses are not ideally done in an intensive format such as this. To help alleviate the problem of information overload during the 8 days that the class will meet in person, we will do some work together on Moodle outside of class time. This will begin two weeks before the first class, and will continue after the last class until the final assignment is due. Participation in this online component is mandatory. Since important communication in this course is done through Moodle and email, please check your Moodle page and Ambrose email account regularly, preferably daily. For your convenience, you may configure your Ambrose email account to forward all your incoming emails to an account that you use most often.

Submission of Assignments:

- Submit all assignments electronically via **Moodle** on or before the due dates indicated above. Late penalty applies.
- While some assignments or quizzes can be submitted by interacting directly with Moodle (e.g. multiple choices, fill in the blanks, etc.), you may also submit some of your assignments by unloading your Word documents or PDF files.
- If you use Hebrew or Greek words in your assignments, please beware of **font issues**.
- Submitted assignments may be checked by **Turnitin** for plagiarism.
- **Format papers properly**, including a title page, page numbers on either right corners, double-space, 12 point fonts, 1-inch margins, footnotes in 10 point fonts, and for the research paper, a bibliography.
- Consult one of the following guides or an approve alternative for style and formatting:
 - a. Turabian, Kate L. *A Manual for Writers of Research Papers, Theses, and Dissertations: Chicago Style for Students and Researchers*. 7th Edition. Chicago: University of Chicago Press, 2007.

Attendance:

Students are expected to attend each day of week module classes. Given that this is a modular course, it is extremely important that you attend all of the class time. Each unit of unexcused absence will result in a grade reduction of 3%.

2.	Vocab Quizzes	20%
3.	Grammar Quizzes	20%
4.	Exegetical Exercises	35%

Grade Summary:

The available letters for course grades are as follows:

<u>Letter Grade</u>	<u>Percentage</u>	<u>Description</u>
A+	96-100	
A	90-95	Excellent
A-	85-89	
B+	78-84	
B	72-77	Good
B-	66-71	
C+	61-65	
C	58-60	Satisfactory
C-	55-57	
D+	53-54	
D	50-52	Minimal Pass
F	<50	Failure

Because of the nature of the Alpha 4.00 system, there can be no uniform College-wide conversion scale. The relationship between raw scores (e.g. percentages) and the resultant letter grade will depend on the nature of the course and the instructor's assessment of the level of each class, compared to similar classes taught previously.

Please note that final grades will be available on student registration system. Printed grade sheets are not mailed out.

Policies:

Communication

All students have received an Ambrose e-mail account upon registration. It is the student's responsibility to check this account regularly as the Ambrose email system will be the professor's instrument for notifying students of important matters (cancelled class sessions, extensions, requested appointments, etc.) between class sessions. If students do not wish to use their Ambrose accounts, they will need to forward all messages from the Ambrose account to another personal account.

Registration

During the **Registration Revision Period** students may enter a course without permission, change the designation of any class from credit to audit and /or voluntary withdraw from a course without financial or academic penalty or record. Courses should be added or

dropped on the student portal by the deadline date; please consult the List of Important Dates. After that date, the original status remains and the student is responsible for related fees.

Students intending to withdraw from a course after the Registration Revision Period must apply to the Office of the Registrar by submitting a "Request to Withdraw from a Course" form or by sending an email to the Registrar's Office by the **Withdrawal Deadline**; please consult the List of Important Dates on the my.ambrose.edu website. Students will not receive a tuition refund for courses from which they withdraw after the Registration Revision period. A grade of "W" will appear on their transcript.

Exam Scheduling

Students wishing to withdraw from a course, but who fail to do so by the applicable date, will receive the grade earned in accordance with the course syllabus. A student obliged to withdraw from a course after the Withdrawal

Deadline because of health or other reasons may apply to the Registrar for special consideration.

Students, who find a conflict in their exam schedule must submit a Revised Examination Request form to the Registrar's Office by the deadline date; please consult the List of Important Dates. Requests will be considered for the following reasons only: 1) the scheduled final examination slot conflicts with another exam; 2) the student has three final exams within three consecutive exam time blocks; 3) the scheduled final exam slot conflicts with an exam at another institution; 4) extenuating circumstances. Travel is not considered a valid excuse for re-scheduling or missing a final exam.

Electronic Etiquette

Students are expected to treat their instructor, guest speakers, and fellow students with respect. It is disruptive to the learning goals of a course or seminar and disrespectful to fellow students and the instructor to use electronics for purposes unrelated to the course during a class session. Turn off all cell phones and other electronic devices during class. Laptops should be used for class-related purposes only. Do not use iPods, MP3 players, or headphones. Do not text, read, or send personal emails, go on Facebook or other social networks, search the internet, or play computer games during class. Some professors will not allow the use of any electronic devices in class. The professor has the right to disallow the student to use a laptop in future lectures and/or to ask a student to withdraw from the session if s/he does not comply with this policy. Repeat offenders will be directed to the Dean. If you are expecting communication due to an emergency, please speak with the professor before the class begins.

Academic Policies

It is the responsibility of all students to become familiar with and adhere to academic policies as stated in the Academic Calendar. Personal information (information about an individual that may be used to identify that individual) may be required as part of taking this class. Any information collected will only be used and disclosed for the purpose for which the collection was intended. For further information contact the Privacy Compliance Officer at privacy@ambrose.edu.

Extensions

Although extensions to coursework in the semester are at the discretion of the instructor, students may not turn in coursework for evaluation after the last day of the scheduled final examination period unless they have received permission for a course Extension from the Registrar's Office. Requests for course extensions or alternative examination time must be submitted to the Registrar's Office by the deadline date; please consult the List of Important Dates. Course extensions are only granted for serious issues that arise "due to circumstances beyond the student's control."

Appeal of Grade

An appeal for change of grade on any course work must be made to the course instructor within one week of receiving notification of the grade. An appeal for change of final grade must be submitted to the Registrar's Office in writing and providing the basis for appeal within 30 days of receiving notification of the final grade, providing the basis for appeal. A review fee of \$50.00 must accompany the appeal. If the appeal is sustained, the fee will be refunded.

Academic Integrity

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Academic dishonesty is taken seriously at Ambrose University as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to acknowledge to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university college. Students are expected to be familiar with the policies in the current Academic Calendar that deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student's permanent record.

Note: Students are strongly advised to retain this syllabus for their records.
