RE 104			BIO 329 Li							

Students who need to write a final examination at a time other than the scheduled final examination slot must file a Request for a Revised Final Examination with the Office of the Registrar by **March 13**.

Except in unusual circumstances, such a request will only be considered if the scheduled final conflicts with another exam or the student's exam schedule results in three exams in one 24-hour period.

Travel plans will not be considered an appropriate reason to request a revised final examination.
