Course Description

A survey of the origins of The Christian and Missionary Alliance in its social, cultural, and theological contexts. The course also examines and evaluates various continuities and changes in C&MA thought and practice.

Further Course Information:

This is a denominational history course. Its task is to orient lay people and people training for vocational ministry within the Alliance to the spiritual, theological and pastoral resources of our denominational heritage. To bring life to denominational history I have used the concept of "living tradition" as mode of both appropriating and critiquing this heritage.

When understood as a living tradition, Alliance history and thought is more than something to be read about in a textbook or studied for an exam. It is who we are, what we teach and preach, and how we live our commitments. We are Alliance because this tradition, expressed by Albert B. Simpson as the Fourfold Gospel, has continually witnessed to the fact that Christ's work has implications for us right now. It calls us to, and empowers us for holiness, it affirms God's interest in the physical as well as the spiritual and it points to the hope of our calling.

Expected Learning Outcomes

1. Nurture theological depth & breadth: To know what you believe and why it matters
Students will understand the theological, spiritual and pastoral approaches of the Christian and Missionary Alliance and its relations to the broader Christian tradition.
2. Cultivate a heart after God: To know God - Father, Son & Holy Spirit - and to love as God loves
Students will engage with the spiritual resources of the Alliance tradition and explore the contribution of the tradition in inspiring a life of communion with God and love of neighbour.
3. Foster vocational clarity & effectiveness: To know who you are and what you are to do
Students will evaluate the pastoral resources of the Alliance tradition as a source of empowerment to serve effectively in the place where their deep joy and the world's deep need meet.
4. Inspire redemptive action: To know God's mission and to live it fully
Students will be invited to integrate the resources of the Alliance tradition into a life of ministry engaging whole-heartedly wherever God leads them.

Requirements:

1. Each student is expected to be prepared for and to participate in each class session. This is reflected in the proportion of the final mark assigned to participation. Students will be asked to present an informal summary to the class of one of the required readings.
2. A list of completed required reading will be submitted to the instructor.
3. Each student will write a critical book review which integrates a discussion of the four books listed above. Your review is to evaluate the degree to which 1) each book makes a contribution to Alliance thought and 2) together constitute a recognizable theological tradition. Your analysis will be significantly strengthened by reference to materials discussed in class and referenced in the bibliography available in the "Resources" section of the Moodle site. The review should be between 2000 and 2500 words.

4. Lindsay Reynolds outlines the history of the Christian and Missionary Alliance in the twentieth century in *Rebirth*. Use the interpretive grid for Alliance history presented on the final day of class to critically analyse Reynold's book. Assess the degree to which the tensions identified in the lecture are supported by the history of the Alliance in Canada and assess the degree to which this interpretative grid was helpful in identifying central themes in the narrative. This review should be between 1200 and 1500 words.
5. The research papers are meant to explore new areas of Alliance history. It is suggested that this paper focus on a local church history, either of the church you now attend or one you have been associated with in the past. Papers should be between 3500 and 4000 words and will involve primary research.

Evaluation:

1. Participation	10%
2. Reading report	10%
3. Critical book review	25%
4. Review of <i>Rebirth</i>	15%
5. Local church history research paper	40%

Please note that final grades will be available on student registration system. Printed grade sheets are not mailed out.

Ambrose University Important Policies & Procedures:

Communication

All students have received an Ambrose e-mail account upon registration. It is the student's responsibility to check this account regularly as the Ambrose email system will be the professor's instrument for notifying students of important matters (cancelled class sessions, extensions, requested appointments, etc.) between class sessions.

Exam Scheduling

Students who find a conflict in their exam schedule must submit a *Revised Examination Request* form to the Office of the Registrar by the deadline noted in the Academic Calendar. Requests will be considered for the following reasons only: 1) the scheduled final examination slot conflicts with another exam; 2) the student has three final exams within three consecutive exam time blocks; 3) the scheduled final exam slot conflicts with an exam at another institution; 4) extenuating circumstances. Travel is not considered a valid excuse for re-scheduling or missing a final exam.

Standards of Behaviour in the Classroom Setting

Learning is an active and interactive process, a joint venture between student and instructor and between student and student. Some topics covered within a class may lead to strong reactions and opinions. It is important that Students understand that they are entitled to hold contradictory beliefs and that they should be encouraged to engage with these topics in a critical manner. Committing to this type of "active learning" significantly increases the learning experience for both teacher and student, and reflects the Christian imperative to pursue truth, which lies at the heart of the Ambrose educational experience. However, active discussion of controversial topics will be undertaken with respect and empathy, which are the foundations of civil discourse in the Classroom Setting. Primary responsibility for managing the classroom rests with the instructor. The instructor may direct a student to leave the class if the student engages in any behaviour that disrupts the classroom setting. If necessary, Ambrose security will be contacted to escort the student from class. Please refer to your professor regarding their electronic etiquette expectations.

Academic Integrity

We are committed to fostering personal integrity and will not overlook breaches of integrity such as plagiarism and cheating. Academic dishonesty is taken seriously at Ambrose University as it undermines our academic standards and affects the integrity of each member of our learning community. Any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means is academic dishonesty. Plagiarism involves presenting someone else's ideas, words, or work as one's own. Plagiarism is fraud and theft, but plagiarism can also occur by accident when a student fails or forgets to acknowledge to another person's ideas or words. Plagiarism and cheating can result in a failing grade for an assignment, for the course, or immediate dismissal from the university. Students are expected to be familiar with the policies in the current Academic Calendar that

deal with plagiarism, cheating, and the penalties and procedures for dealing with these matters. All cases of academic dishonesty are reported to the Academic Dean and become part of the student's permanent record.

Academic Policies

It is the responsibility of all students to become familiar with and adhere to academic policies as stated in the Academic Calendar. The academic calendar can be found at <https://ambrose.edu/content/academic-calendar-2>

Privacy

Personal information (information about an individual that may be used to identify that individual) may be required as part of taking this class. Any information collected will only be used and disclosed for the purpose for which the collection was intended. For further information contact the Privacy Compliance Officer at privacy@ambrose.edu.

Coursework Extensions

Should a request for a time extension on coursework exceed the end of the term, a *Coursework Extension Application* must be completed and submitted to the Office of the Registrar. The extension (if granted) will be recorded on the student record. Extensions are granted at the discretion of the instructor and are normally granted for 30 days beyond the last day of the term.

Normally, Course Extension Applications will be considered only when all of the following conditions are met:

- the quality of prior course work has been satisfactory;
- circumstances beyond your control, such as an extended illness or death of a family member, make it impossible for you to complete the course work on time; and
- you submit *Coursework Extension Application* to the Office of the Registrar on or before the deadline specified in the Academic Schedule.

If granted, time extensions do not excuse you from a final examination where one has been scheduled for the course.

A temporary grade of TX will be assigned until a final grade is submitted in accordance with the new deadline. A final grade of F will apply to:

- all course work submitted after the end of the semester unless a coursework extension has been granted; and all course work submitted after the revised due date provided by an approved extension to coursework.

Academic Success and Supports

Accessibility Services

Academic accommodation is provided to Ambrose students with disabilities in accordance with the Alberta Human Rights Act and the Canadian Charter of Rights and Freedoms. Provision of academic

accommodation does not lower the academic standards of the university nor remove the need for evaluation and the need to meet essential learning outcomes. Reasonable accommodations are tailored to the individual student, are flexible, and are determined by considering the barriers within the unique environment of a postsecondary institution. It can take time to organize academic accommodations and funding for disability-related services.

Students with a disability who wish to have an academic accommodation are encouraged to contact Accessibility Services as early as possible to ensure appropriate planning for any needs that may include accommodations. Staff can then meet with students to determine areas to facilitate success, and if accommodations are required, ensure those accommodations are put in place by working with faculty.
