

Residence Life Community Standards

Temporary Changes for the 2021-2022 Year are in Red

We have made some temporary changes in red that will be in effect until COVID-19 restrictions are relaxed in Calgary, AB.

Residence Life seeks to cultivate a Christ-centered hospitable learning environment that promotes a flourishing community, faith formation, and holistic well-being. The Residence Life Community Standards reflect Ambrose University's commitment to serve as a community of transformative Christian higher education. These standards are intended to create a community of safety and care for the students, physical buildings, and furniture. It also seeks to help students thrive, develop in wisdom and grow holistically.

The resident, and/or any person who has been granted permission to enter the Ambrose residence, shall comply with all rules and regulations pertaining to the Ambrose Residence Life Community Standards for the full term of enrollment in the Ambrose Residence Life program and also adhere to the Ambrose Community Life Standards (see the website) as long as they are enrolled as a student.

Eligibility and Requirements to Live in Residence

1. Housing for all full-time first-year students is guaranteed. Because of this, full-time students are required to live on campus for at least their first year. Exemptions include:

- Students who are over the age of 21.

Students who withdraw from residence and are still Ambrose students will not be refunded for the semester's residence fees.

To promote continuity of community and as little disruption to the learning environment as possible, viewing residence as a full school-year commitment is encouraged for all those who choose to apply. Withdrawal from the Residence Life program must be requested in writing to the Residence Director by December 15th to receive any portion of a damage deposit back.

Similarly, if a student wants to switch rooms for the winter semester they must email the Residence Director and fill out the room change request form by December 15th. The Residence Director will assess requests and determine the decision with the community and individual in mind. The form can be acquired through the Residence Director by email.
